

Welcome to the Future of Education

ECHELON INSTITUTE OF TECHNOLOGY, FARIDABAD

Information Brochure 2026-2027

VISION

Technical and Management leaders engaged in the evolution of life, being at the frontiers of the continuous technological and administrative breakthroughs, inspired by ongoing exploration of self, society, and nature through self-reflective consciousness by building a culture of inspiration, exploration and growth.

MISSION

- M-1 Having a culture of inspiration, exploration, and invention through effective, experiential teaching-learning giving rise to ever-evolving knowledge and wisdom.
- M-2 To have self-inspired students ever engaged in continually working upon & sharpening and deepening computational, creative, innovative, & leadership consciousness.
- M-3 Having students established in self-reflective consciousness, committed to personal, social & human integrity, and engaged in deep inquiry & conversation, giving rise to shared, inter-subjective human values and consciousness.

“

PIONEERING THE

EXPERIENTIAL EDUCATION

”

WHY ECHELON ?

- **State-of-the-art Infrastructure** spread over an area of 17.5 acres with centralised air conditioning.
- **Quality Faculty** absorbed from academia and industry. More than 50 faculties with Ph.D. degrees.
- **Mentoring System** dedicated to manage each student with personal focused interaction on an individual basis.
- **Excellent arena of Sports Facilities** covering a wide range of sports viz Cricket, Basketball, Kabaddi, Football, Throw ball etc. Coming up with a tennis court with floodlights and a swimming pool in fulfilment towards the goal of a multi-disciplinary sports complex on the campus.
- **The Clubs** cover all facets of being a human to create an integrated, holistic being inspired and empowered to lead a fulfilling contributive and creative life in all the future to come. Introduction of various full scale semester long courses by the clubs to train the students in their chosen field of interest, aspiration and longing.
- **Three-way Partnership** amongst parents, students and institute. Besides the direct engagement with the Principal and Deans, a direct interaction with the Board of Governors of the institute.
- **State-of-the-art** cafeteria to provide wholesome, nourishing, ayurvedic food awakening, reenergizing and bringing a spark to spirit, intelligence and the body.
- **Hostel life** – A modern Gurukul rich in human development towards creating evolved, empowered, compassionate beings. A life on one hand rooted in freedom, independent choice making, able to inspire support from others, taking full responsibility of the past and full of heartfelt commitment to its future.
- Encourage students to participate in **National/International competition** like SIH(Smart India Hackathon), Ideathon, etc.
- **Centrally air-conditioned** distinguished library, best in NCR region with new range of books both the hard and the digital copies.
- Two semester intensive training for **GATE Aspirants** from 3rd year and onwards. Intensive Training For Bachelor's Degree for **CAT Aspirants**.
- **Waste Management** and environment improvement measures to ensure a sustainable green campus.
- Implementation of **Unnat Bharat Abhiyan/Saansad Adarsh Gram Yojana. (SAGY)**

- **'The Last Centre'** club with a dedicated 3000 square feet of space to train the students in becoming a conscious leader, able to make a meaningful creative contribution towards industry, society, environment and the nation around.
- **Ongoing training to the students and teachers** by high end industry experts in the fields of upcoming and continually arising new technologies making education relevant, meaningful and industry & research specific.
- As per NEP(National Education Policy), an inbuilt mechanism for **Social and Emotional Learning** – A crucial component of Education.
- **Green and eco-friendly campus** which focuses on energy efficiency by preserving natural resources for healthy living and a good learning environment.
- We have established several **centres of excellence** and signed MoUs with them to provide skill development training to student. These Centres of Excellence include Honeywell-ICT Academy, GTT BARCLAYS, CISCO –NIIT Academy Foundation Partner, CETPA, SOFT PRO, NASSCOM, Froyo Technologies Pvt. Ltd., Skill Clout, Institute of Industrial Development (IID), KVCH & Code Squads etc. Only Institute in Faridabad having **Centre of Excellence** for multi-disciplinary research, Incubation Centre & International Internships.
- Implementation of the schemes announced by the Government of India.
- Implementation of mandatory **Internship Policy** for Students.
- ERP software making the whole campus digitalized.
- Institute Innovation Council (IIC).
- Institution-Industry Cell.
- Innovation Cell.

CENTRE OF EXCELLENCE

HOSTELS

A modern Gurukul rich in human development towards creating evolved, empowered, compassionate beings. A life on one hand rooted in freedom, independent choice making, able to inspire support from others, taking full responsibility of the past and full of heartfelt commitment to its future.

STATE-OF-THE-ART CAFETERIA

In order to provide the hostellers very hygienic, nutritious & wholesome meals, a beautiful, well designed mess has been provided between the two hostels. The meals are prepared under the care of a joint mess committee comprising students from both the hostels. Extremely nourishing meals with high ayurvedic properties are cooked with great love & care by a team of spiritual dedicated cooks of the Last Centre kitchen, a non-profitable subsidiary of The Last Centre, managing the institute. This highly nourishing, delectable & delicious food gives the boarders a feel of 'Raso Vaisa', which tastes like the essence of God. The students are served with nutritious breakfast in the morning & refreshment in the evening besides lunch & dinner.

SPORTS FACILITIES

The institute campus is fully equipped with facilities for sports and physical training such as a full-scale gymnasium, aerobic centre, football court, volleyball & basketball courts and cricket net. The tennis court is being brought up & a plan to build a swimming pool is on. Different games, yoga exercises and physical training sessions are regularly organized in the evening for the hostellers.

Some of the many Sports Facilities at Echelon are:

OUTDOOR GAMES

- Tennis
- Kabaddi
- Football
- Shotput
- Badminton
- Basketball
- Volleyball
- High jump
- Kho-Kho
- Discus Throw
- Javelin Throw
- Cricket

INDOOR GAMES

- Carrom
- Chess
- Arm Wrestling
- Table Tennis
- Uno
- Badminton (indoor version)

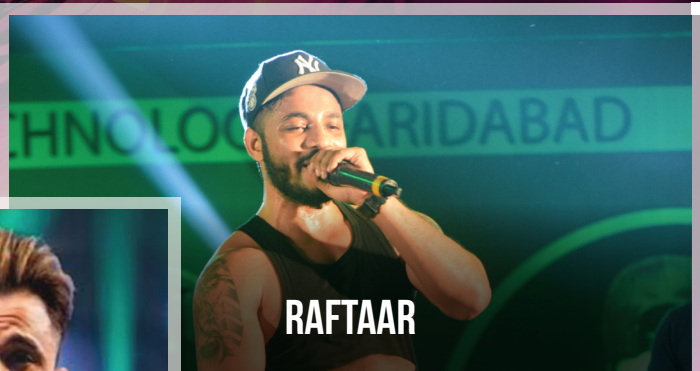

CAMPUS LIFE @ECHELON

Echelon's campus is a vibrant hub of imagination, inclusivity and exploration—alive with street plays, theatre, live bands, musical nights, stand-up comedy, kavi sammelans, science fairs, tech conferences, cultural fests, star nights, sports tournaments, debates, workshops, community service and more. Every day here is an experience, every event a spark of inspiration.

STAR NIGHT @ECHELON

Celebrating the evolutionary spirit and zeal that the Echelon family is, embracing its cultural heritage and modern technical breakthroughs with the thrilling spectacular Performances by sparkling Stars.

STUDENTS' TESTIMONIALS

Mohan Sharma

Batch: 2011-15

"Echelon gave me exposure to practical learning through presentations, projects, and industry interactions, which played a crucial role in preparing me for the corporate world."

Ajay Kumar

Batch: 2011-15

"Echelon's supportive campus environment, modern infrastructure, and student-centric approach made learning enjoyable and meaningful throughout my journey."

Narendra Kundu

Batch: 2014-18

"EIT gave me the right exposure and constant encouragement. It helped me discover my strengths and build confidence. Today, I aim higher in every aspect of life."

Aiyush Aggarwal

Batch: 2020-24

"Echelon gave me the foundation to think big and work smart. The exposure and mentorship I received here shaped my journey into the corporate world with confidence and clarity."

Anjali Thakur

Batch: 2020-24

"As a student, I always felt supported & valued. The professors encouraged me to explore my potential, and today I feel proud to be part of the Echelon legacy."

Gaurav Saini

Batch: 2011-15

"EIT is not just a college; it's a place that shapes your personality and prepares you for the challenges of the real world."

Ankit Narwat

Batch: 2016-20

"The hands-on learning and dedicated faculty helped me turn theory into practice. My experience at Echelon was truly career-defining."

Komal Sharma

Batch: 2019-22

"The environment at Echelon was both motivating and inclusive. From participating in fests to academic projects, every experience prepared me for real-world challenges."

Ankit Vashistha

Batch: 2010-14

"Ankit describes EIT as the place where his dreams began taking shape. He's grateful for the discipline, mentorship, and lifelong friendships he built here."
